

# SCHOOL OF MUSIC IN A CART

## SUMMER ACTIVITIES

### Push Cart Community Mission, Inc.

#### 10 June 2015

**Performing at the Grain, New Wine and Oil Ministries**

Deviating from this tradition, the Push Cart Community Missions held the School of Music in a Cart instead teaching the children how to play musical instruments, keyboard, guitars and drums, to glorify the Lord through the music they will offer later.

It stated with a week of School of Music in a Cart, 30<sup>th</sup> Of March – 4<sup>th</sup> of April 2015. The children were camped at the Push Cart Community Center at 07 del Pilar, 15<sup>th</sup> Avenue, Cubao, Quezon City to concentrate on learning to play their instruments and sing.

The children learned their first song, Salvation Poem, within that one week. It was amazing because the first time ever that the children got hold of musical instruments were only three weeks back for some music teaching sessions.

After the camp, the children practiced three to five hours daily, Monday - Friday. In between, the children played and enjoyed themselves at the center. They came at 9 AM and were sent home at 5 PM. Meals and snacks were served.

Post summer activity was their performance also at the Lord's Church on 5<sup>th</sup> June 2015. They participated in its program, "Night of Music and Worship" singing "Great is our God".

On June 21, (original schedule was 12<sup>th</sup> of June) we shall again be at the Grain, New Wine and Oil Ministries for a 10 song repertoire mini-concert, for the Church Anniversary program. **DISCIPLINE AND PRACTICE, WERE ESSENTIALS FOR THEM TO PREPARE.**

Summer of 2015 is gone and I believe for the Members of the Christian Children's Band in a Cart it was a well spent one.

The Band organized as a result of the School of Music in a Cart they had performances they will long remember.

Their invitation to perform at the Grain, New Wine and Oil Ministries at San Juan, Metro Manila on the 19<sup>th</sup> of April was their first and at the Lord's Church, Montreal Street, Quezon City on the 26<sup>th</sup> June, their second.

Usually, Churches and Christian groups would engage in Vacation Bible School for children during summer with the purpose of bringing them to the saving knowledge of our Lord Jesus Christ.
